Katalog części Kubota - Kubota EPC

Program w języku angielskim

The screenshot displays the Kubota EPC catalog software interface. On the left, a 'Contents' pane lists various engine components, with '041400 ALTERNATEUR (PARTIES COMPOSANTES) / ALTERNATOR (COMPONENT PARTS)' highlighted. The main window shows an exploded view diagram of the alternator assembly, with parts labeled with numbers like 090, 130, 100, 110, 070, 060, 020, 040, 030, 180, 230, 170, 270, 150, 250, 190, 200, 140, 260, 010, 020, 280, 060, 140, 260, 010, 020, 280. On the right, a table lists the parts with their numbers, names in French and English, and quantities.
